

Oversize, overwhelmed? Caring for Maps and Architectural Drawings in Your Collection

Additional Resources Suggested by our Webinar Participants

Find out more about **Iron Gall Ink**: <https://irongallink.org/>

Sharon F. Corey [Chesterfield, SC]: A recent article from our South Carolina Archives <http://n.pr/2kJZERr>

Alison Reppert Gerber [Washington, DC]: An example of what we did at the Smithsonian Institution Archives <http://s.si.edu/2hivHoG>

Sara Stilley [Riversid CA]: **I put a pad for a swamp cooler in the water to help bring the water into the air quicker.** For those who do not know what a swamp (or evaporative) cooler is, you can find more information here: https://en.wikipedia.org/wiki/Evaporative_cooler. You can find swamp cooler pads by searching for “swamp cooler pads” on the internet.
