

Fabric Tag Sewn In

Materials Used

- Cotton twill tape
- Micron archival ink pen
- Hair silk
- Cotton thread
- Needles (preferably size 10 or 12)
- Board or paper
- Conservation-grade surfactant (e.g. Orvus WA Paste)
- Iron and ironing board

Tips & Tricks

- Write clear, legible numbers
- Be consistent with labeling location
- Avoid using knots. Threads can be started using back stitches.
- Avoid penetrating threads of the collection textile. Try to go between individual threads.
